GREEN PASS PROOF OF VACCINATION

1) From August 6, 2021 in order to enter the museums and exhibitions it is mandatory to have the Green Pass or an equivalent certification showing the vaccinal status (proof of vaccination) and the expiration date of the same, or showing the result of a Covid control swab with a validity of 48 hours. This documents are required to enter all areas (white, yellow, orange, and red).

2) Checking the Green Pass (or equivalent documentation) does not involve any data collection, and it does not provide for any treatment pursuant to the General Data Protection Regulation (GDPR) No. 679/2016.

3) The checks are intended to be carried out for all visitors entering the museum, both European and non-European citizens.

4) The display of an identity document must be associated with the check of the Green Pass or equivalent documentation.

5) The visitor who refuses to show the Green Pass or equivalent documentation can NOT enter the museums in any way.

6) At the moment, children under the age of twelve are exempted as well as people that, for proven health reasons, cannot get vaccinated on the basis of appropriate medical certification.

7) In museums where a Concessionaire (private company) is in charge of selling the tickets, the check of the aforementioned documentation will be carried out by the employees of the Concessionaire company. In museum and sites without a Concessionaire, checks will be done directly by personnel (security or reception) of the Direzione regionale musei della Toscana.

8) The anti Covid protocols already approved, providing for all anti-contagion measures (temperature detection, mandatory use of the mask, interpersonal distancing, limitation of numbers, etc.) remain valid.
